Applicant's declaration concerning RF Radiation Exposure

We hereby indicate that the product
Product description: 2.4GHz Wireless Microphone System
Model No: HC-5168

The equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. The integral antennas used for this transmitter must not be co-located or operating in conjunction with any other antenna or transmitter within the host device.

A safety statement concerning minimum separation distances from enclosure of the
Product : 2.4GHz Wireless Microphone System
will be integrated in the user's manual to provide end-users with transmitter operating conditions for satisfying RF exposure compliance.

The appropriate information can be drawn from the test report no: W6M21001-10331-C-1 and the accompanying calculations.
